NEW LOFT AT 2MN FROM THE BEACH!

After the resounding success of our Loft in Peniche (see website), the architect Hugo Mónica returns with all his know-how and refinement for another authentic work of art.

And it is precisely at 2 minutes from the beach of Baleal and Almagreira that is located our fantastic and new Loft of 75m².

In it you can find a sumptuous ceiling height of 4m, housing two bedrooms, a bathroom, kitchen with living room in open-space and two outdoor areas, made with the best materials on the market (wooden floors, top of the range frames, etc.), first class finishes and all the inherent amenities for the best of your comfort.
